Mr. Paul Allen
Pierce & Pierce
358 Exchange Place
New York, NY 10099

Dear ,

Please accept my enclosed application for the Vice President, Mergers & Acquisitions position at Pierce & Pierce. As Senior Associate at Kicker Peabody, I spent two years honing my negotiation skills and research and analysis skills. Your job posting specified the following qualifications:

- Ideal candidate will be a plug and play investment banking VP with strong deal execution skills (lead execution role)

- Must have relevant / multiple investment banking deal experience / reps

- Top tier MBA in finance, economics, or a related field preferred

As you can see from my enclosed resume, I have the following experience:

- I have executed many, many times, always in the lead position. I have an unquenchable thirst for clean execution; I have lost track of how many successful executions I've led.

- As stated above, I have a tremendous amount of experience executing in almost every situation. I am no stranger to long nights; I routinely execute throughout the night and into the early mornings.

- I went to Harvard, then Harvard Business School.

Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

After reviewing my enclosed resume and LinkedIn profile (please see above) I believe you will find I have the qualities you are looking for. I look forward to discussing the role, and will follow up with you in the near future.

Sincerely,
Patrick Bateman
